5.0 Opportunity For Public Comment

Beverly Scott would like the board to reconsider their decision to strike out the examples in the board policy ACB, ACB-AR, as a teacher having examples to lean on help to aide in conversations. The school board will keep the policy as voted on, this allows the policy to move with the constantly changing political, economic and social climate. This also keeps the policy as simple as possible allowing for various discussions. Russell Hobson is very appreciative of the administrative team bringing in the union representatives to help with the decision regarding the calendar change, he feels this has kept everyone a team and he is happy about the great working relationship. Dawn Mills would like to know the status of Clothe-A-Child. Mr. Gianotti explained the tradition will continue without the students. Riddle will still have 25 students to shop for at Fred Meyer.
